---

## EXPERIENCE

**Information Systems Intern | Central Payments | Sioux Falls, SD**  
**July 2025 – Present**

- Supported and maintained Azure Cloud infrastructure, including user provisioning, device compliance, and cloud resource configuration.
- Assisted with installation, testing, and troubleshooting of enterprise applications including Office 365, Exchange, web security tools, and internal business systems.
- Provided Tier 1–2 help desk support, managing ticket flow, diagnosing issues, and escalating when needed.
- Helped configure and deploy PCs, networking hardware, and mobile devices in compliance with IT security policies.
- Managed Active Directory/Entra ID accounts and group permissions, maintaining role-based access control.
- Collaborated with vendors to monitor data storage and system performance, escalating anomalies for resolution.
- Maintained IT documentation, setup guides, and internal training materials for repeatable processes.
- Tracked IT assets and software licenses, ensuring compliance with corporate security standards.

**Amazon Fulfillment Associate | Amazon | Sioux Falls, SD**

**August 2024 – June 2025**

- Retrieving items and preparing shipments. Also responsible for accurately selecting groceries ordered online by customers.
- Scanning, sorting, and stocking products using handheld scanners.
- Ensuring items are correctly labeled and shipped to customers.
